

SÄRÄ FROM LEMI - ONE OF THE SEVEN WONDERS OF FINLAND

AT US, DINERS ARE ALWAYS SEATED AT THE SAME TABLE

Our unique dining traditions complement the shortest menu in Finland. Dining with us is always an event in itself. Before the food is served, the host tells the guests the history of särä and offers them an opportunity to take a peek into the baking oven. Dining at any time of year can easily be combined with, for example, a theatre trip in a nearby city.

GROUP VISITS

The traditional särä is served to groups based on your schedule. This traditional lamb dish is served straight to the table. To truly savour the taste, it is best to reserve at least an hour for dining. Särä products and gifts can also be purchased at our restaurant.
